VALLEY DALE WIGH SCHOOL

DEDICATION

The 1978-'79 Annual Staff is proud to present this year's CONQUEST to Joanne Spidel, Josephine Grove, and Paula Simerly—the Cafeteria Staff of Valleydale School. These three women demonstrate their consideration for our school by cooking food, pouring drinks, cleaning off tables, and running the cafeteria.

Mrs. Spidel, Mrs. Grove, and Mrs. Simerly also show their concern by operating the concession stand during home soccer and basketball games. If a student ever needs a person to talk to, any of these women would be glad to take the time.

We cannot properly tell about all the things that the cafeteria staff does for us. In dedicating this year's CONQUEST to you ladies, we can only say "Thank you" Mrs. Spidel, Mrs. Grove, and Mrs. Simerly for caring about Valleydale School.

HEADMISTRESS MRS. JOAN GILES

A most important part of Valleydale's firm foundation, Mrs. Joan Giles continues her second year of service to Valleydale as Headmistress, after having served as head of the English Department for the previous six years.

Her unselfish commitment to quality education and the building of strong moral character serves as a shining example to all of us.

PTO OFFICERS

Page Robbins President Dee Hartley Vice President Brenda Templin Secretary Barbara Carter Treasurer

Again this year, the PTO printed its annual PTO Handbook. This organization also sponsors the yearly barbecue, fish fry, Halloween Carnival, Poor Man's Supper, spaghetti supper and ham supper. The faculty was also taken out to lunch after exams by the PTO. Four other fund raising projects organized by the PTO were raffling of the microwave oven, selling the calendar towels, sponsoring the book fair, and hosting the Drum Majorettes of America.

JUNIOR CLASS

The class nng is a symbol of twelve years of preparation for life. The ring is a circle representing the never ending love, friendship, and security we have found at Valleydale. It is silver with a blue stone, the school colors, showing our school spirit.

Our parents' dream of our receiving the best education possible began in 1971. There is a lamp meaning a light upon our path. The scales represent balance and justice, the winged foot swiftness in achieving life's goal

On the other side of the ring is the year 1980 representing the year the Juniors go into the world.

AND ACTIVITIES

Many forms of entertainment were performed for the May Queen, her attendants, and court. The traditional May Pole dance was done while other elementary students demonstrated a routine with the parachute, designed to improve coordination. Todd Woerner, Tim Cahoon, and Joel Collins played a medley of rock songs. After the festivities ended, a delicious lunch was available to any who wanted it.

After being selected last March as the new '78-'79 Varsity Cheerleaders, the Cheerleaders immediately began working for this year's athletic season. As an annual event, they attended Cheerleading Camp where they won the second place ribbon, the Golden Eagle Squad Award, and the coveted Spirit Megaphone. During the year, their activities included taking part in the Pie in the Sky, selling tote bags and carnations, honoring the Senior athletes with trophies, and sponsoring a homeroom Spirit Award and a dance.

Amy SitzHenry Salutatorian

My time has come to leave as others have gone before, I cannot cry, I must not grieve, one step at a time walk out the door Once more I'll cast my eyes where I used to play and where I ran many times another is running today I'll peep into the gym and dream of the games we had the excitement and the turmoil the good games and the bad In the padded stlence I'll walk the hall to its end and gaze into the room where my education began As I walk back down the hall memones ringing in my ears all the fun we had the joy and the tears These memones cannot leave me they are locked into my mind. and they belong to me.
no matter which path I may bind
The people that I laugh with, are just shadows on the wall my locker now is empty my last time down the hall My future is a dream and I must play the game. the past is but a memory and nothing will be the same But my past has been much brighter, because of the people I knew, and I'm sure I will think of them whenever my world turns blue Now its time to leave and I knew the hour would come in the awful alence my steps sound like a drum I stand upon the hill and stare back at the school remembering the times I've tried and the times I've acted fool For twelve long years I've struggled, for nuggets of knowledge I've been a miner. But every minute was worth it, because nothing could be finer! Sharon Wilson, Class of 1978

On graduation night 1978, Kim Schrum was presented with the T. G. Kinard Award. This award is presented to a senior who possesses qualities which Mr. Kinard, our first headmaster, would expect to find in any outstanding student. The student must have a "B" average and show qualities of outstanding character, leadership, citizenship and a general all-around good student.

At the graduation exercises, Beth Kerns was presented with the Citizenship Award. The recipient of this award must be a senior who works up to their potential and shows the qualities of a good citizen

HALLOWEEN

HALLOWEEN 1978

This year, Halloween was kicked off when the Elementary children dressed up in their Halloween costumes. The Halloween Carnival, held each year, began later that night Some main attractions included the Haunted House, the Dunking Booth, and the Cake Walk. Door prizes were awarded to lucky winners. Besides being a great success, the Halloween Carnival was a big money-raising event for Valleydale.

PIE IN THE SKY

Open wide!

One more time

Yum Yum, eat em up

Den't talk with your mouth full

A little for you

Pie In The Sky is a fund-raising project sponsored by the Varsity cheerleaders. This year it was held on the same day as the Halloween Carnival. The object of Pie In The Sky is to throw Cool Whip in the cheerleaders' faces. For fifty cents, anyone can throw a plate of whipped cream at any cheerleader. And for a dollar, one could "smash" the Cool Whip in the face. Pie In The Sky is one of the most successful moneyraising projects for the cheerleaders.

The 1978-1979 Student Council continues to be one of the most positive forces at Valleydale. The Council is composed of representatives from grades 7-12. This year, the Council's activities included printing programs for Homecoming, sponsoring Intramurals, a Classroom Decorating Contest at Christmas, and Decorating the School Cafeteria at Christmas. The Student Council also tries to promote school spirit and student enthusiasm by encouraging student participation at pep rallies and various other programs. The Council was also instrumental in installing an Honor Code this ear.
